

CA-FC5-SH-RC7 Product Description

This shielded cable connects to US Digital's HD25 Industrial Rugged Metal Optical Encoder (<https://www.usdigital.com/products/encoders/incremental/shaft/hd25/>) via a circular 7-pin screw-on connector, and it has a 5-pin latching connector on the other end. It is typically used to convey quadrature and index channels from the HD25 to an encoder interface with single-ended inputs like the QSB, USB4 and the ED3.

WARNING: This product can cause exposure to substances, such as *phthalate plasticizers*, known to the State of California to cause cancer and reproductive harm. For more information, go to oehha.ca.gov/proposition-65 (<https://oehha.ca.gov/proposition-65>).
